### Aurora spotting in the farm night

What a night spotting the northern lights in one of the oldest reindeer farms in Kuusamo. We walk through the reindeer farm in the hopes of spotting the auroras in the sky. We visit the corral, where you meet the reindeer that are already home for the winter. We walk up to a scenic hut, make fire, relax and enjoy hot drinks to keep warm. We can also walk down to the Laavu, an open-fire place hidden in the farm. We share stories about life with the reindeer and the northern lights. We end the night visiting the farm's own handicraft workshop and shop.

Autumn months only on order

Duration 3 hours

Price 49 € /person, minimum of 4 persons

All our tours are guided by our own staff. We welcome all the visitors to the world of reindeer with a short history of our beloved old farm. All tours end with a visit to our handicrafts workshop and boutique, where there is the possibility to shop our high-end reindeer products, such as reindeer meat, 1st quality hides, antlers, art and handicrafts. All tours must be booked in advance.
